ITB NO.: NSC2019-009

1. The National Security Council (NSC), through its Bids and Awards Committee (BAC), is conducting this procurement through the early procurement activity (EPA) for FY2020 to ensure the timely delivery of goods, implementation of infrastructure projects and rendition of consultancy services, consistent with the GPPB Resolution No. 14-2019 dated July 17, 2019 where the procuring entity (PE) is encouraged to start procurement activity short of award.

EPA shall refer to the conduct of procurement activities, from posting of the procurement opportunity, if required, until recommendation of the Bids and Awards Committee (BAC) to the Head of the Procuring Entity (HOPE) as to the award of the contract, for goods to be delivered, infrastructure projects to be implemented and consulting services to be rendered in the following fiscal year (i.e., FY 2020), pending approval of their respective funding sources.

The bidders, therefore, are herewith informed of the following:

a. Interested bidders are invited/requested to submit their bid proposals based on indicative budget (i.e. subject to final approval) through this Invitation to Bid, together with the bidding documents;

b. The PE will evaluate the bid proposals and determine the winning bidder. The financial bid proposal of the winning bidder will be contract price/amount which is considered fixed price. However, the Notice of Award (NOA) will only be issued upon the approval of the budget (i.e., short of award);

c. Should there be any delay in the award as affected by the possible delay in the budget approval (i.e. the bid validity as specified in the bidding documents which is a maximum of 120 calendar days); the winning bidder may be requested to extend the bid validity accordingly (that is, changing the expiration of the original bid security). In case of bidder’s refusal to extend the bid validity, the bid submitted by said bidder will be rejected.

2. In this regard, the NSC, through the 2020 indicative Annual Procurement Plan (APP) Budget intends to apply the sum of Ten Million Six Hundred Sixty-Five Thousand Pesos (PhP10,665,000.00) being the Approved Budget for the Contract (ABC) for payments under the contract with the following breakdown:

<table>

SECTION II: INSTRUCTIONS TO BIDDERS

A. GENERAL

1. SCOPE OF BID

The Procuring Entity named in the BDS invites bids for the Supply and Delivery of goods and services as described in Section V. Technical Specifications.

1.1 The name, identification, and number of lots specific to this bidding are provided in the BDS.

2. SCOPE OF WORK

Bidders shall comply with the Scope of Work as stated in the BDS and in the Terms of Reference (TOR).

3. SOURCE OF FUNDS

The National Security Council has a budget or has applied for or received funds from the funding source named in the BDS, and in the amount indicated in the BDS. It intends to apply part of the funds received for the Project, as defined in the BDS, to cover eligible payments under the contract.

4. CORRUPT, FRAUDULENT, COLLUSIVE, AND COERCIVE PRACTICES

4.1 Unless otherwise specified in the BDS, the National Security Council as well as the bidders and suppliers shall observe the highest standard of ethics during the procurement and execution of the contract. In pursuance of this policy, the National Security Council Defines, for purposes of this provision, the terms set forth below as follows:

(a) “corrupt practice” means behavior on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves, others, or include others to do so, by misusing the position in which they are placed, and includes of offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract or transaction manifestly and grossly disadvantageous to the same, whether or not the public officer profited or will profit thereby, and similar acts as provided in RA3019.

(b) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring Entity, and includes collusive practices among Bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the Procuring Entity of the benefits of free and open competition.

(c) “collusive practices” means a scheme or arrangement between two or more Bidders, with or without knowledge of the National Security Council, designed to establish bid prices at artificial, non-competitive levels.

(d) “coercive practices” means harming or threatening to harm, directly or indirectly, persons, or their property to influence their participation in a procurement process, or affect the execution of a contract.

4.2 Further, the National Security Council will seek to impose the maximum civil, administrative, and/or criminal penalties available under applicable laws on individuals and organizations deemed to be involved in any of the practices.
4.3 Furthermore, the National Security Council reserves the right to inspect and audit records and accounts of a bidder or supplier in the bidding for and performance of a contract themselves.

5. CONFLICT OF INTEREST

5.1 All Bidders found to have conflicting interests shall be disqualified to participate in the procurement at hand, without prejudice to the imposition of appropriate administrative, civil, and criminal sanctions. A Bidder may be considered to have conflicting interests with another Bidder in any of the events described in paragraphs (a) through (c) below and a general conflict of interest in any of the circumstances set out in paragraphs (d) through (f) below:
(a) A Bidder has controlling shareholders in common with another Bidder;
(b) A Bidder received or has received any direct or indirect subsidy from any other Bidder;
(c) A Bidder has the same legal representative as that of another Bidder for purposes of this bid;
(d) A Bidder has a relationship, directly or through third parties, that puts them in a position to have access to information about or influence the decisions of the National Security Council regarding this bidding process. This will include a form or an organization who lends, or temporarily seconds, its personnel to firms or organizations which are engaged in consulting services for the preparation related to procurement for or implementation of the project if the personnel would be involved in any on the same project.
(e) A Bidder submits more than one bid in this bidding process. However, this does not limit the participation of subcontractors in more than one bid; or
(f) A Bidder who participated as a consultant in the preparation of the design or technical specifications of the Goods and related services that are the subject of the bid.

5.2 In accordance with Section 47 of the IRR of RA 9184, all Bidding Documents shall be accompanied by a Sworn Affidavit of the Bidder that it is not related to the Head of the National Security Council, members of the Bids and Awards Committee (BAC), members of the Technical Working Group (TWG), members of the BAC Secretariat, the head of the Project Management Office (PMO) or the end-user unit, and the project consultants, by consanguinity or affinity up to the third civil degree. On the part of the Bidder, this Clause shall apply to the following persons:
(a) If the Bidder is an individual or a sole proprietorship, to the Bidder himself;
(b) If the Bidder is a partnership, to all its officers and members;
(c) If the Bidder is a Corporation, to all its officers, directors, and controlling stockholders; and
(d) If the Bidder is a joint venture (JV), the provisions of items (a), (b), or (c) of this Clause shall correspondingly apply to each of the members of the said JV, as may be appropriate.

Relationship of the nature described above or failure to comply with this Clause will result in the automatic disqualification of a Bidder.
6. ELIGIBILITY CRITERIA OF BIDDERS

6.1 Unless otherwise provided in the BDS, the following persons shall be eligible to participate in this bidding:

(a) Duly licensed Filipino citizens/sole proprietorships;
(b) Partnerships duly organized under the laws of the Philippines and of which at least sixty percent (60%) of the interest belongs to citizens of the Philippines;
(c) Corporations duly organized under the laws of the Philippines, and of which at least sixty percent (60%) of the outstanding capital stock belongs to citizens of the Philippines;
(d) Cooperatives duly organized under the laws of the Philippines; and
(e) Persons/entities forming themselves into a Joint Venture (JV), i.e., a group of two (2) or more persons/entities that intend to be jointly and severally responsible or liable for a particular contract: Provided, however, that Filipino ownership or interest of the JV concerned shall be at least sixty percent (60%).

6.2 Government owned or -controlled corporations (GOCCs) may be eligible to participate only if they can establish that they (a) are legally and financially autonomous, (b) operate under commercial law, and (c) are not attached agencies of the Procuring Entity.

6.3 Unless otherwise provided in the BDS, the Bidder must have completed a Single Largest Completed Contract (SLCC) similar to the Project and the value of which, adjusted, if necessary, by the Bidder to current prices using the Philippine Statistics Authority (PSA) consumer price index, must be at least equivalent to a percentage of the ABC stated in the BDS.

For this purpose, contracts similar to the Project shall be those described in the BDS, and completed within the relevant period stated in the Invitation to Bid.

6.4 The Bidder must submit a computation of its Net Financial Contracting Capacity (NFCC), which must be at least equal to the ABC to be bid, calculated as follows:

\[ \text{NFCC} = [(\text{Current assets minus current liabilities}) \times (15)] - \text{the value of all outstanding or uncompleted portions of the projects under ongoing contracts, including awarded contracts yet to be started, coinciding with the contract to be bid}. \]

The values of the domestic bidder's current assets and current liabilities shall be based on the latest Audited Financial Statements submitted to the BIR.

For purposes of computing the foreign bidders' NFCC, the value of the current assets and current liabilities shall be based on their audited financial statements prepared in accordance with international financial reporting standards.

If the prospective bidder opts to submit a committed Line of Credit, it must be at least equal to ten percent (10%) of the ABC to be bid. If issued by a foreign universal or commercial bank, it shall be confirmed or authenticated by a local universal or commercial bank.

7. BIDDER'S RESPONSIBILITIES

7.1 The Bidder or its duly authorized representative shall submit a sworn statement in the prescribed bidding.

7.2 The Bidder is expected to examine all instructions, forms, terms, and specifications the Bidding Documents.
7.3 It shall be solely responsibility of the Bidder to determine and to satisfy itself by such means as it considers necessary or desirable as to all matters pertaining to the contract to be bid, including: (a) the location and nature of the project; (b) climatic conditions; (c) transportation facilities; and (d) other factors that may affect the cost, duration, and execution or implementation of this Project.

7.4 The National Security Council shall not assume any responsibility regarding erroneous interpretations or conclusions by the prospective or eligible bidder out of the data furnished by the procuring entity.

7.5 The Bidder shall bear all costs associated with the preparation and submission of his bid, and the National Security Council will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

8. SUBCONTRACT

Unless otherwise specified in the BDS, the Bidder may subcontract portions of the Goods to an extent as may be approved by the NSC and stated in the BDS. However, subcontracting of any portion shall not relieve the Bidder from any liability or obligation that may arise from the contract for this Project.

Subcontractors must submit the documentary requirements under ITB Clause 12 and comply with the eligibility criteria specified in the BDS. In the event that any subcontractor is found by the NSC to be ineligible, the subcontracting of such portion of the Goods shall be disallowed.

The Bidder may identify the subcontractor to whom a portion of the Goods will be subcontracted at any stage of the bidding process or during contract implementation. If the Bidder opts to disclose the name of the subcontractor during bid submission, the Bidder shall include the required documents as part of the technical component of its bid.

B. CONTENTS OF BIDDING DOCUMENTS

9. PRE-BID CONFERENCE

9.1 (a) If so specified in the BDS, a pre-bid conference shall be held at the venue and on the date indicated therein, to clarify and address the Bidders’ questions on the technical and financial components of this Project.

(b) The pre-bid conference shall be held at least twelve (12) calendar days before the deadline for the submission and receipt of bids. If the Procuring Entity determines that, by reason of the method, nature, or complexity of the contract to be bid, or when international participation will be more advantageous to the GOP, a longer period for the preparation of bids is necessary, the pre-bid conference shall be held at least thirty (30) calendar days before the deadline for the submission and receipt of bids, as specified in the BDS.

9.2 Bidders are encouraged to attend the pre-bid conference to ensure that they fully understand the NSC’s requirements.

9.3 Any statement made at the pre-bid conference shall not modify the terms of the Bidding Documents unless such statement is specifically identified in writing as an amendment thereto and issued as a Supplemental/Bid Bulletin.
C. PREPARATION OF BIDS

10. LANGUAGE OF BID

The eligibility requirements or statements, the bids, and all other documents to be submitted to the BAC must be in English. If the eligibility requirements or statements, the bids, and all other documents submitted to the BAC are in foreign language other than English, it must be accompanied by a translation of the documents in English. The documents shall be translated by the relevant foreign government agency, the foreign government agency authorized to translate documents, or a registered translator in the foreign bidder’s country; and shall be authenticated by the appropriate Philippine foreign service establishment/post or the equivalent office having jurisdiction over the foreign bidder’s affairs in the Philippines. The English translation shall govern, for purposes of interpretation of the bid.

18.5 Bid envelopes that are not properly sealed and marked, as required in the bidding documents, shall not be rejected, but the Bidder or its duly authorized representative shall acknowledge such condition of the bid as submitted. The BAC or the Procuring Entity shall assume no responsibility for the misplacement of the contents of the improperly sealed or marked bid, or for its premature opening.

D. SUBMISSION AND OPENING OF BIDS

19. DEADLINE FOR SUBMISSION AND RECEIPT OF BIDS

19.1 Bids must be received by the NSC’s BAC at the address and on or before the date and time indicated in the BDS...NSC Time (Wall clock at the new reception area) is the Official Time.

19.2 Bidder’s shall submit their bids through their duly authorized representative using the forms specified in the bidding documents in two (2) separate sealed envelopes, and which shall be submitted simultaneously.
20. **LATE BIDS**

Any bid submitted after the deadline for submission and receipt of bid prescribed by the NSC, pursuant to ITB Clause 19.1, shall be declared “Late” and shall not be accepted by the NSC.

21. **BASIS OF AWARD:**

Lowest Calculated Responsive Bid

22. **MODIFICATION AND WITHDRAWAL OF BIDS**

22.1 The Bidder may modify its bid after it has been submitted; provided that the modification is received by the NSC prior to the deadline prescribed for submission and receipt of bids. The Bidder shall not be allowed to retrieve its original bid, but shall be allowed to submit another bid equally sealed, properly identified, linked to its original bid marked as “TECHNICAL MODIFICATION” or “FINANCIAL MODIFICATION” and stamped “received” by the BAC. Bid modifications received after the applicable deadline shall not be considered and shall be returned to the Bidder unopened.

22.2 A Bidder may, through a Letter of Withdrawal, withdraw its bid after it has been submitted, for valid and justifiable reason; provided that the Letter of Withdrawal is received by the NSC prior to the deadline prescribed for submission and receipt of bids.

22.3 Bids requested to be withdrawn in accordance with ITB Clause 19.1 shall be returned unopened to the Bidders. A Bidder may also express its intention not to participate in the bidding through a letter which should reach and be stamped by the BAC before the deadline for submission and receipt of bids. A Bidder that withdraws its bid shall not be permitted to submit another bid, directly or indirectly, for the same contract.

22.4 No bid may be modified after the deadline for submission of bids. No bid may be withdrawn in the interval between the deadline line for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Financial Bid Form. Withdrawal of a bid during this interval shall result in the forfeiture of the Bidder’s bid security and the imposition of administrative, civil and criminal sanctions as prescribed by RA 9184 and its IRR.

23. **OPENING AND PRELIMINARY EXAMINATION OF BIDS**

23.1 The BAC shall open the first bid envelopes of Bidders in public as specified in the BDS to determine each Bidder’s compliance with the documents prescribed in ITB Clause 11. For this purpose, the BAC shall check the submitted documents of each bidder against a checklist of required documents to ascertain if they are all present, using a non-discretionary “pass/fail” criterion. If a bidder submits the required document, it shall be rated “passed” for that particular requirement. In this regard, bids that fail to include any requirement or are incomplete or patently insufficient shall be considered as “failed”. Otherwise, the BAC shall rate the said first bid envelope as “passed”.

23.2 Unless otherwise specified in the BDS, immediately after determining compliance with the requirements in the first envelope, the BAC shall forthwith open the second bid envelope of each remaining eligible bidder whose first bid envelope was rated “passed”. The second envelope of each complying bidder shall be opened within the same day. In case one or more of the requirements in the second envelope of a particular bid is missing, incomplete or patently insufficient, and/or if the submitted total bid price exceeds the ABC, the BAC shall rate the bid concerned as “failed”.
Only bids that are determined to contain all the bid requirements for both components shall be rated “passed” and shall immediately be considered for evaluation and comparison.

23.3 Letters of Withdrawal shall be read out and recorded during bid opening, and the envelope containing the corresponding withdrawn bid shall be returned to the Bidder unopened. If the withdrawing Bidder’s representative is in attendance, the original bid and all copies thereof shall be returned to the representative during the bid opening. If the representative is not in attendance, the bid shall be returned unopened by registered mail. The Bidder may withdraw its bid prior to the deadline for the submission and receipt of bids, provided that the corresponding Letter of Withdrawal contains a valid authorization requesting for such withdrawal, subject to appropriate administrative sanctions.

23.4 The NSC shall prepare the minutes of the proceedings of the bid opening that shall include, as a minimum: (a) names of Bidders, their bid price, bid security, findings of preliminary examination; and (b) attendance sheet. The BAC members shall sign the abstract of bids as read.

E. EVALUATION

24. POST-QUALIFICATION

24.1 The NSC shall determine to its satisfaction whether the Bidder that is evaluated as having submitted the Lowest Calculated Bid (LCB) complies with and is responsive to all the requirements and conditions specified in ITB Clauses 11, 12, and 13.

24.2 Within a non-extendible period of three (3) calendar days from receipt by the bidder of the notice from the BAC that it submitted the LCB, the Bidder shall submit the following documentary requirements:

(a) Latest income and business tax returns in the form specified in the BDS;
(b) Certificate of PhilGEPS Registration or PhilGEPS Registration Number if the procuring entity is a Philippine foreign office or post, provided that participating bidders should register with the PhilGEPS prior to bid opening; and
(c) Other appropriate licenses and permits required by law and stated in the BDS.

Failure of the Bidder declared as Lowest Calculated Bid to duly submit the requirements under this Clause or a finding against the veracity of such shall be ground for forfeiture of the bid security and disqualification of the Bidder for award.

24.3 The determination shall be based upon an examination of the documentary evidence of the Bidder’s qualifications submitted pursuant to ITB Clauses 11, 12 and 13, as well as other information as the NSC deems necessary and appropriate, using a non-discretionary “pass/fail” criterion.

24.4 If the BAC determines that the Bidder with the Lowest Calculated Bid passes all the criteria for post-qualification, it shall declare the said bid as the Lowest Calculated Responsive Bid, and recommend to the Head of the NSC the award of contract to the said Bidder at its submitted price or its calculated bid price, whichever is lower.

24.5 A negative determination shall result in rejection of the Bidder’s Bid, in which event the NSC shall proceed to the next Lowest Calculated Bid to make a similar determination of that Bidder’s capabilities to perform satisfactorily. If the second Bidder, however, fails the post qualification, the procedure for post qualification shall be repeated for the Bidder with the next Lowest Calculated Bid, and so on until the Lowest Calculated Responsive Bid is determined for contract award.
25. RESERVATION CLAUSE

25.1 Based on the following grounds, the NSC reserves the right to reject any and all bids, declare a Failure of Bidding at any time prior to the contract award, or not to award the contract, without thereby incurring any liability, and make no assurance that a contract shall be entered into as a result of the bidding:

a) If there is prima facie evidence of collusion between appropriate public officers or employees of the NSC, or between the BAC and any of the bidders, or if the collusion is between or among the bidders themselves, or between a bidder and a third party, including any act which restricts, suppresses or nullifies or tends to restrict, suppress or nullify competition;

b) If the NSC’s BAC is found to have failed in following the prescribed bidding procedures; or

c) For any justifiable and reasonable ground where the award of the contract will not redound to the benefit of the GOP as follows:

(i) If the physical and economic conditions have significantly changed so as to render the project no longer economically, financially or technically feasible as determined by the head of the NSC;

(ii) If the project is no longer necessary as determined by the head of the NSC; and

(iii) If the source of funds for the project has been withheld or reduced through no fault of the NSC.

25.2 In addition, the NSC may likewise declare a failure of bidding when:

(a) No bids are received;

(b) All prospective bidders are declared ineligible;

(c) All bids fail to comply with all the bid requirements or fail post-qualification; or

(d) The bidder with the Lowest Calculated Responsive Bid (LCRB) refuses, without justifiable cause to accept the award of contract, and no award is made.

F. AWARD OF CONTRACT

26. CONTRACT AWARD

26.1 Subject to ITB Clause 21, the NSC shall award the contract to the Bidder whose bid has been determined to be the Lowest Calculated Responsive Bid (LCRB).

26.2 At the same time as the NSC notifies the successful Bidder that its bid has been accepted, the NSC shall send the Contract Form to the Bidder, which contract has been provided in the Bidding Documents, incorporating therein all agreements between the parties.

26.3 Within ten (10) calendar days from receipt of the Notice of Award, the successful Bidder shall post the required performance security and sign and date the contract and return it to the NSC.

26.4 The NSC shall enter into contract with the successful Bidder within the same ten (10) calendar day period provided that all the documentary requirements are complied with.

26.5 The following documents shall form part of the contract:

(a) Contract Agreement;

(b) Bidding Documents;

(c) Winning bidder’s bid, including the Technical and Financial Proposals, and all other documents/statements submitted;

(d) Performance Security;

(e) Credit line in accordance with ITB Clause 6.4, if applicable;

(f) Notice of Award of Contract; and

(g) Other contract documents that may be required by existing laws and/or specified in the BDS.
27. PERFORMANCE SECURITY

27.1 To guarantee the faithful performance by the winning Bidder of its obligations under the contract, it shall post a performance security within a maximum period of ten (10) calendar days from the receipt of the Notice of Award from the NSC and in no case later than the signing of the contract.

27.2 The performance security shall be in an amount equal to percentage of the total Contract price, denominated in Philippine Peso and posted in favor of the NSC in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Form of Performance Security</th>
<th>Amount of Performance Security (Equal to Percentage of the Total Contract Price)</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) Cash or cashier's/manager's check issued by a Universal or Commercial Bank.</td>
<td>Five percent (5%)</td>
</tr>
<tr>
<td>(b) Bank draft/guarantee or irrevocable letter of credit issued by a Universal or Commercial Bank: Provided, however, that it shall be confirmed or authenticated by a Universal or Commercial Bank, if issued by a foreign bank.</td>
<td></td>
</tr>
<tr>
<td>(c) Surety bond callable upon demand issued by a surety or insurance company duly certified by the Insurance Commission as authorized to issue such security.</td>
<td>Thirty percent (30%)</td>
</tr>
</tbody>
</table>

27.3. Failure of the successful Bidder to comply with the above-mentioned requirement shall constitute sufficient ground for the annulment of the award and forfeiture of the bid security, in which event the NSC shall initiate and complete the post qualification of the second Lowest Calculated Bid. The procedure shall be repeated until the LCRB is identified and selected for contract award. However, if no Bidder passed post-qualification, the BAC shall declare the bidding a failure and conduct a re-bidding with re-advertisement.

28. NOTICE TO PROCEED

Within seven (7) calendar days from the date of approval of the contract by the appropriate government approving authority, the NSC shall issue the Notice to Proceed (NTP) together with a copy or copies of the approved contract to the successful Bidder. All notices called for by the terms of the contract shall be effective only at the time of receipt thereof by the successful Bidder.

SECTION V: TECHNICAL SPECIFICATIONS

Bidders must state here either “Comply” or “Not Comply” against each of the individual parameters of each “Specification” stating the corresponding performance parameter of the equipment offered by the Bidder. Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidder’s Bid and cross-referenced to that evidence.

Evidence shall be in the form of manufacturer’s product brochures, specification sheet, manuals etc., as appropriate. Any of these evidences should be downloadable from product or manufacturer’s website or otherwise verifiable by any means reasonable and acceptable to the Bids and Awards Committee.

The specifications as indicated below are minimum parameters and a bidder may offer items equivalent to or superior than these specifications.

The bidder shall supply and deliver the following minimum specifications:

**PRINTER:**

- **Function/s**
  - Print
- **Print speed**
  - At least 27 ppm
- **Two-sided printing**
  - Automatic duplex print option
- **Paper trays/paper handling**
  - With at least 50-sheet multipurpose tray; at least 250-sheet input tray
- **Print Technology**
  - Laser
- **Printer Management**
  - GUI management access or application
- **Connectivity/Network capability**
  - Hi-speed USB port; built-in gigabit ethernet 10/100/1000 base-tx port; auto-crossover ethernet; wireless 802.11 b/g/n/2.4/5Ghz wi-fi radio; 802.1x authentication;
- **Mobile printing capability**
  - Apple airprint; google cloud print; smart app and other mobile app; wi-fi direct printing
- **Wireless capability**
  - Built-in dual-band wi-fi; wep/wpa/wpa2/wpa enterprise; encryption; wps; bluetooth
- **Memory**
  - 512 MB NAND flash, 512 mb dram
- **Processor speed**
  - 1200 MHz
- **Media sizes custom**
  - Tray 1: 76 x 127 to 216 x 356 mm; tray 2: 100 x 148 to 216 x 356 mm
- **Compatible operating system**
- **Security management**
  - Secure Boot; Secure Firmware Integrity; Runtime Code Integrity; password protected EWS; secure browsing via SSL/TLS 1.0; TLS 1.1; TLS 1.2; IPP over TLS; Network: enable/disable network ports and features; unused protocol and service disablement; SNMPv1; SNMPv2; and SNMPv3; community password change; HTTPS with certificate validation; HTTP Basic Access Authentication; SASL authentication; Firewall and ACL; control panel lock; certificates configuration; UPD PIN printing; Syslog; signed firmware; administrator settings; 802.1x authentication (EAP-TLS, and PEAP); authentication via WEP; WPA/WPA2 Personal; WPA2-enterprise; encryption via AES or TKIP; Encrypted data storage; Secure data erase; Automatic firmware updates; Secure Encrypted Print via optional Job storage;

2ms typical

Input

Nominal Input Voltage
230V

Input frequency
50/60 Hz +/- 3 Hz (auto sensing)

Input Connections
IEC-320-C14 inlet

Input voltage range for main operations
195 - 265V

Batteries & Runtime

Battery type
Maintenance-free sealed Lead-Acid battery with suspended electrolyte : leakproof

Typical recharge time
5 hour(s)

Replacement Battery

- Single agent with detection engines to minimize configuration and maximize detection and blocking;
- Endpoint protection with signature-base analysis, signature-less or machine learning detection, with behavior-based analytics, and real-time indicators of compromise or detection of hidden threats;
- with a signature-less, dynamic analysis engine that inspects suspicious network traffic to identify attacks that evade traditional signature- and policy-based defenses;
- Use a single small-footprint agent for minimal end-user impact;
- Single integrated workflow to analyze and respond to threats with Endpoint security;
- Fully integrated malware protection with antivirus (AV) defenses, remediation, behavior analysis, intelligence and endpoint visibility;
- Triage Summary and Audit Viewer for exhaustive inspection and analysis of threats;
- Enterprise Security Search to rapidly find and illuminate suspicious activity and threats;
- It should have a contextual dynamic rules engine that detects and blocks malicious activity in real-time and retroactively, based on the latest machine-, attacker- and victim-intelligence;
- It should also have intrusion prevention system (IPS) technology to detect common attacks using conventional signature matching;
- Should be able to analyze different file types, including portable executables, web content, archives, images, Java, Microsoft and Adobe applications and multimedia and others;
- Should have SSL intercept to examine encrypted traffic to detect threats (such as CnC traffic and data exfiltration) that attackers may hide in encrypted streams;
- Data Acquisition to conduct detailed in-depth endpoint inspection and analysis over a specific time frame;
- End-to-end visibility that allows security teams to rapidly search for, identify and discern the level of threats;
• Detection and response capabilities to quickly detect, investigate and contain endpoints to expedite response;

• Easy-to-understand interface for fast interpretation and response to any suspicious endpoint activity;

• Supported Operating Systems and Environments:
  o Windows - XP SP3, 2003 SP2, Vista SP1 and up, 2008, Win7, 2012, 8, 8.1, 10, Server 2016;
  o Mac - OS X
  o Linux

• Deployment Options: Onsite physical appliance (virtual and cloud service supported);
• Should have a proven track record and received different industry and government recognitions and certifications;
